Hands to Help Caroling Night a Success!

Good tidings and cheer were brought to the Old Irving Park neighborhood by festive Christmas carolers on Monday night December 17th. Volunteers caroled door to door raising funds for Hands to Help, a group that assists the homeless and others in crisis right here in our neighborhood.

A special thanks to the many volunteers: Build On teens from Schurz High School, Brownies from St. Edward's, teens and adults from St. Viator's, families and adults from St. John's and United Methodist, and many others from the Old Irving Park community. Thanks to the generosity of our community, over \$1300 was collected!

Dear Neighbor,

I WOULD LIKE TO EXTEND A GREETING and hopes of a Happy New Year to all. The New Year is often a time of reflection as well as a time to imagine self-improvement and envision a better future and world.

Resolutions are often viewed as a once a year activity. But personal experience (as well as some research) shows that resolve isn't really influenced by the calendar.

We should all strive to take the time to identify things that will make our lives, or the lives of those around us, a little better. It doesn't have to be earth-shaking or life-changing. It doesn't have to start on January 1. It may not even become apparent until spring or summer. But when you find yourself saying "wouldn't it be nice if..." Take the time to see if there is some little thing you could do to nudge things in a better direction.

Everyone sees things differently, and not everyone will act to make the same change. But a lot of people making many little improvements will make things better for everyone.

Here are a few resolutions I hope to see:

- Commit random acts of kindness.
- Hold that door.
- Use "Please" and "Thank You" more often.
- Drive slower.
- Give a little back.
- Pick up some rubbish; even if it's not yours.
- Make eye contact.
- Say "Hello" to people – neighbors and strangers.
- Take better care of yourself.
- Walk, don't drive.
- Vote.
- Help those less fortunate.
- Put down the cell phone.
- Think Green.
- Figure out your new Ward and get on the Alderman's e-mail blast.

There are hundreds of ways to make our lives and Neighborhood a richer and better experience. Find one that's right for you, and we will all benefit.

39th Ward Report

Dear Neighbor,

I hope everyone in the West Walker community had a very Happy Holiday Season. After the celebrations are over, you can recycle your Christmas tree at North Park Village, 5801 N. Pulaski, Jan. 5-18, 10 a.m. – 4 p.m. The trees will

be chipped and made into mulch, which will be available for residents to pick up beginning Friday, Jan. 11, while supplies last. Please remove all ornaments, lights and stands before dropping off your tree. Decorations, tree lights, wreaths, garlands or household recyclable materials will not be accepted.

Please join me and Commissioner Michael Cabonargi on Monday, January 14 at 6:30 p.m., for my annual Property Tax Appeal Seminar, at the Salvation Army Church Gymnasium, 5040 N. Pulaski. Staff from the Cook County Board of Review will help you appeal the assessment on your home to keep your property taxes as low as possible.

The event is also being sponsored by State Representatives John D'Amico and Deb Mell, and Cook County Commissioners Bridget Gainer and John Fritchey. Parking will be available.

We had some staff departures recently, both in my Ward Office and in the 17th District. Police Commander Melissa Staples has moved on to the 12th District and Jose G. Ramirez has been assigned as Commander of the 17th District. Commander Ramirez has had a stellar career with the Chicago Police Department, most recently serving with the Organized Crime Division. We welcome Commander Ramirez to the District and wish Commander Staples the best of luck in her new position.

I've been fortunate to have few staff changes in my tenure as Alderman. However, after working 10 years in my office, Patrick Molloy has accepted a new position. I'm sure many West Walker residents worked with Pat on infrastructure and capital projects over the years. Pat will certainly be missed, and we wish him all the best in his new endeavor.

If you have any questions or concerns, please contact my public service office at 773-736-5594 or e-mail us at Ward39@cityofchicago.org.

Sincerely,

Margaret Laurino, Alderman, 39th Ward

FDC Expands Pantry Grant for 2013

The Irving Park Community Food Pantry is pleased to announce that the FDC Foundation has approved a grant to the Pantry for its Fresh Produce for Better Health Initiative and its client-services program. The grant, for \$30,000, represents a doubling of the funds we received last year, which in turn were higher than the previous year.

The grant will fund our purchases of fresh produce to distribute each week to our clients and the resources and activities of Community Resources Coordinator Belma Torres for the coming year.

We are grateful to FDC for giving us such generous support and especially board member Susan Patke for her efforts on our behalf. Special thanks also to volunteer Gloria Price for preparing our proposal and for her efforts to foster a close relationship with the foundation.

Thanks to all of the community organizations, groups and individuals who have conducted food drives and taken monetary collections for us during the holiday

45th Ward Alderman John Arena volunteered at the Pantry's annual Holiday distribution on December 19th, making up food bags in the three- to four-person line, along with Nick Calderone (right) and others. Thanks to everyone who took time to help!

season! In addition to the many we thanked last month, these groups have helped with food drives: Belding Elementary School (4257 N. Tripp Ave.), Bankrate (222 W. Adams St.), Community Savings Bank (4801 W. Belmont Ave.), Kindred Hospital (2544 W. Montrose Ave.) and Terraces of Old Irving Park.

Thanks also to Lakeview Pantry for their donation of 20 cases of chocolate candy, which were included in our holiday distribution, and to Orbitz Travel for donating three boxes of personal-care items. We also thank the BuildOn students at Schurz High School (3601 N. Milwaukee Ave.) for distributing 150 bagged lunches to our clients during our November 28th distribution.

A special thank you goes to Roger Torback and Mount Olive Church (3850 N. Tripp Ave.) for collecting more than 1,000 food items and more than \$3,000 in their annual November community canvas. We'd also like to thank Irving Park Family Theater, which donated the proceeds from their debut performance in December at the Irving Park United Methodist Church (3801 N. Keeler Ave.)

We also want to thank everyone who donated toys to our Toy Room for our holiday distribution in December. Special thanks to the Old Irving Park Association for hosting a toy collection during its holiday dinner and to Unique Insurance (4245 N. Knox Ave.), which provided employees with money to purchase toys and socks for us.

Thanks also to our local churches (Irving Park United Methodist Church, Irving Park Baptist Church and Mount Olive Church) for serving as community collection points for toy donations. Special thanks to Irving Park Lutheran Church for serving as a collection point and for once again allowing us to store and sort toys at their church. And thanks to volunteers Vicci Rodgers and Barb Cohn for overseeing the collection and distribution.

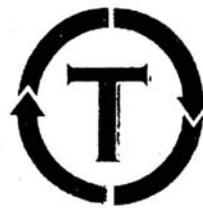

Congratulations to Community Resources Coordinator Belma Torres on her election as secretary for the Northside Anti-Hunger Network. She follows Pantry Executive Director John Psiharis in a leadership position with the group, as his term as co-president ended in November.

In November, the Pantry served 1,896 people in 628 households, adding 58 households with 111 people. More than 300 households also received pet food through the Pantry's Pet Food Corner. In addition, 12 households with 19 people applied for SNAP benefits on-site. Our homebound-delivery program currently is making monthly deliveries to 16 households. Thanks to Pat Eisenhart for coordinating this program and to our group of volunteers who make these deliveries to help us reach some who cannot come into the pantry.

We appreciate all of your donations and efforts on our behalf. With your help, we continue to live up to our motto of being "Neighbors Helping Neighbors."

The bags will hold toiletries. Student Council collected funds to purchase small necessities the families need while staying there.

Disney II Magnet School

We wish everyone in the Irving Park community a happy, healthy and peaceful 2013. As always, the children, staff, and families at Disney II appreciate the unending support and good will the community offers. We are grateful for this supportive relationship and will continuously strive to be good neighbors and stewards of this wonderful community. Strong, successful schools and businesses create healthy, safe communities.

December was a month of musical magic around the halls of Disney II. Led by music teacher Mr. Barnhart, students in grades pre-k through 6 performed several holiday shows on December 20th. Families enjoyed hearing the children sing tunes from The Nutcracker, play Orff instruments, recorders, and more unique, ethnic tunes from the 18th century. New this year, the school band members demonstrated their skills on flutes, trumpets, clarinets, saxophones, and horns. The day was a true display of artistic expression and enjoyment of the holidays.

Congratulations to the students who took part in the musical performance, "Broadway Wishes" held at the Irving Park United Methodist Church. They were delighted to bring holiday cheer to the community.

The Disney II PTA has enjoyed an active and successful 1st semester with the largest PTA membership (217) in the history of Disney II Magnet School. PTA organized such activities as Parent Coffees, Movie Nights, and Family Dine-In Night at La Villa restaurant. Thank you to the PTA for supporting the Irving Park Food Pantry by organizing a holiday food drive.

Finally, 2012 ended on a very positive note with the Chicago Public School Board of Education announcing its approval for the Disney II Expansion. In the fall of 2013, Disney II Elementary School will extend its current programs/grade levels beyond grade 8. In essence, this decision will allow for 250 new 9th grade students to begin high school at Disney II. This is an additional, exciting option for families in the community seeking high quality education beyond the elementary school years.

St. John's Episcopal Church Receives 2012 National Clergy Renewal Grant

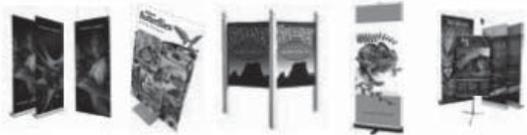

St. John's Episcopal Church has received a grant of \$35,600 to enable its minister, The Rev. Kara Wagner Sherer, to participate in the 2012 National Clergy Renewal Program funded by the Indianapolis-based Lilly Endowment Inc. It is one of 147 congregations across the country that will support their ministers in the program, which allows pastors to step back from their busy lives and renew their spirits for the benefit of their ongoing ministries.

Now in its 13th year, the program invites Christian congregations and ministers to plan a period of intentional reflection and renewal. It gives ministers time to take a break from their daily obligations and gain the fresh perspective and renewed energy that a carefully considered "sabbath time" of travel, study, rest and prayer can provide.

Through this program, Christian congregations apply for grants of up to \$50,000 to support a renewal program for their pastors. Working with their congregations, the ministers design their renewal programs to fit their own needs and aspirations. Pastors are encouraged to include their families in the renewal activities. Up to \$15,000 of the grant may be used for the congregation to pay for interim pastoral leadership while the pastor is away, as well as for renewal activities within the congregation.

1,745 congregations have participated in the clergy renewal program since it began in 2000, including the 147 congregations in this round that received grants totaling nearly \$6.5 million.

During the renewal period the congregation will be planning an expansion of the music program. The grant will include money for concerts and special music for worship services. During the same period (May – August) their Rector (pastor) will be focusing on creative renewal activities, both alone and with her family. The rector will go on a month long retreat at the Society of St. John the Evangelist (an Episcopal monastery in Boston), study creative writing at the Iowa Writer’s Workshop, and with her family attend cultural programming in Chautauqua, NY, and visit a Benedictine convent in France. Wagner Sherer is hoping that some of her creative output will include new hymns. During the sabbatical the congregation will be led by lay leaders, their seminarian, and a local priest who will supply for worship services.

“Time and time again we hear that these renewal experiences are transformative for pastors, their families and their congregations,” said N. Clay Robbins, the Endowment’s president and CEO. “We intend for this program to enable pastors to live for a while at a different pace and in a new environment, in Sabbath time and space. Many pastors and their families return with a rich store of shared memories, having had large blocks of unbroken time together, uninterrupted by the 24-hour-a-day routine of the ministry.

“The wealth of imagination unleashed by this program is truly wonderful to see,” he said. “We can think of no better way to honor these hardworking, faithful men and women than to help them experience personal growth and spiritual renewal in ways that they themselves design and find meaningful.”
