Residents Disappointed with Independence Branch Library Plan

On Tuesday March 22, 2016 a crowd of about 200 area residents met at Disney II High School for an update on the status of the Independence Library branch, located at 3548 West Irving Park Rd. On October 30, 2015 a fire that began in a nearby dry cleaner caused smoke and water damage to the Independence Library. The library has been closed since the fire.

Elected officials in attendance were State Representative Jaime Andrade and four aldermen: Alderman Carlos Ramirez- Rosa (35th ward, the library is located in his ward), Alderman Deb Mell (33rd ward), Alderman Laurino (39th ward), and Alderman John Arena (45th ward). The following Chicago Public Library officials and affiliates were in attendance: Commissioner Brian Bannon, Assistant Commissioner Andrea Telli Neighborhood Services, Patrick Molloy, Director, Government and Public Affairs, and Stephen Stults from the Department of Fleet and Facility Management.

This is a summary of what they revealed:

CPL anticipates that a much renovated (gut rehabbed) library is expected to reopen in the same space in the first quarter of 2017. They are negotiating a 7 year lease with the current landlord. This news was not well received. Elected officials and local residents expressed their strong desire for a

Dear Neighbor,

SPRING HAS OFFICIALLY ARRIVED. Hopefully by the time you get this edition of the Wire, warm weather and the spring green will have arrived. Please take special note of two articles in this month's Wire.

First, on March 22 a meeting was held to update progress on re-opening the Independence Park Library branch, which has been closed since last fall's fire. Also discussed during the meeting was the latest status on building a new, permanent library. Roberta Bole's article reviews that meeting and highlights the ongoing challenge of securing a new library. Roberta also provides web links that can be used to show our support for this invaluable neighborhood asset.

Also, our newly elected 39th Ward Committeeman, Robert Murphy, will be joining us for the April 19, 2016 West Walker General Meeting at the Latvian Center. Robert will discuss the role of a committeeman and answer questions about his plans to use the office for positive change. Please be sure to join us on April 19.

Hands to Help Trivia Night April 29th

Hands to Help is excited to return to the Filament Theatre, 4041 N. Milwaukee, Chicago for our annual Trivia Night event on Friday, April 29th. Tickets are \$45 and can be purchased on Hands to Help's website: www.handstohelpministries.org. Enjoy tasty food, test your trivia knowledge, and meet new friends.

Local businesses are encouraged to financially support this fun event. It is a great opportunity to reach out to neighbors and customers. Hands to Help also appreciates generous donations of food and drinks. For more information please contact Gayle at hthexecdirector@gmail.com or 773-599-0502.

Hands to Help is a grassroots organization started with the help of area churches and fellow neighbors in the Portage and Irving Park communities. Our small staff plus many volunteers provides resources to neighbors on the brink of homelessness and those who have become homeless.

Each year we serve an average of 100 neighbors including a disabled man and his partner. After the partner's work hours were cut and they became behind in their rent, Hands to Help provided rent assistance and advocated with the property management company. Currently, the partner's hours were increased and the couple is now able to cover their rent.

We look forward to seeing you on April 29th. To purchase your tickets or for more information visit Hands to Help's website at www.handstohelpministries.org, Facebook, or Twitter (@Handstohelpchgo). All proceeds benefit your neighbors served by Hands to Help. See you soon!

Robert Murphy to Speak at April West Walker Meeting

On March 15, 2016, Robert Murphy was elected the 39th Ward Committeeman. The majority of West Walker Neighbors reside in the 39th Ward, where Alderman Laurino was re-elected in 2015, when her primary challenger was Robert Murphy.

Robert will explain the role of a Committeeman, and his plans for using the office to introduce an independent voice into 39th Ward politics, improve transparency, and work toward greater responsiveness to community concerns. Please join us on April 19 at the Latvian Center at 7 pm.

brand new larger state of the art library, like the recently new Albany Park Library 3401 West Foster Ave.

Currently the Independence library is 8,900 sq. ft. State Representative Andrade proposed a 15,000-18,000 sq. ft. library. Due to this fire some of the adjacent storefronts were torn down. State Rep Andrade stated that this was an opportunity to obtain the vacant land adjacent to the current library to expand the Independence library using the insurance proceeds. Due to financial challenges Commissioner Bannon felt that a new library or expansion was unlikely. Although located in a TIF there are minimal funds in this TIF to fund a new library and currently bonds can't be issued. In the meantime residents were urged to visit other library branches. They also announced that the popular Independence Library Children's Summer Reading program would continue at Independence Park (3945 N. Springfield) this summer.

All attendees agreed though pleased that Independence Library will be reopened "this cannot be the be-all. end-all" as stated in the meeting by Roberta Bole, President of Friends of Independence Library. Continued elected officials and resident support will be important in foretelling the future of the Independence Library.

Please visit our Facebook page and spread the importance of the neighborhood asset: New Independence Library (link: <https://www.facebook.com/NewIndependenceLibrary/>) Window Signs are available to show your Independence Library support through State Representative Andrade's office at 3657 N. CAPS Report

Beat 1722 & 1723 CAPS Meeting March 16, 2016

Present: Beat facilitator Martha Hack, CAPS Officer Maryjane Park, Officer Hamid, Beat 1722

Approximately 15 people attended the March CAPS meeting – lighter than usual. Monica Lopez, a Chicago Police Officer, gave a presentation about a non-profit she founded, I'm Not Just a Name Children's Resource Center. The Center recently established an office at 4425 W. Montrose. INJANCRC was established to raise awareness of and provide education about missing and exploited children. The Center can provide businesses and organizations with safety programs and training to help reduce the number of missing children in Illinois. The organization's web site is www.injancrc.org.

There were no updates from the February meeting. A West Walker neighbor from the 3800 block of West Berteau brought up a concern about the number of cars that speed through the stop sign at Springfield and Berteau. The officers noted her concern. She also spoke

about suspicious activity in the alley in the 4100 block of Springfield/Avers and about the presence of various gang graffiti, which has since been removed. She was encouraged to report any illegal activity to 911 and make neighbors aware through the WWCA Crime Alert e-mail blasts, westwalkercrimealerts@gmail.com.

As always, call 911 to report suspicious activity or individuals in your neighborhood and provide detailed descriptions of the individuals and vehicles involved in any incident. Even if a neighbor has already reported the incident or activity, other neighbors should make separate calls. The police often look at the number of calls for service in determining the allocation of officers and resources with respect to a particular situation or incident. CAPS meetings for our beat are currently held monthly at the 17th District Police Station, 4650 N. Pulaski, in the Community Room. Meetings begin at 7:30 p.m. on the third Wednesday of the month and typically last one hour. The next regularly scheduled meeting for Beat 1723 is Wednesday, April 20, 2016. If you or a neighbor have been the victim of a crime and you would like to share that information with your neighbors, e-mail the details to westwalkercrimealerts@gmail.com.

Irving Park Fine Arts Committee Presents an Evening with Frieda Lee

Frieda Lee will perform in a benefit for Carlson Community Services on April 30th.

Celebrated jazz vocalist Frieda Lee will perform a benefit concert for Carlson Community Services on April 30th at 7:00 p.m. The concert will be held at the Irish American Heritage Center in the Erin Room.

Lee and her band will perform jazz and pop

standards made famous by Ella Fitzgerald, Lena Horne, Frank Sinatra, Tony Bennett, Sara Vaughan, Barbra Streisand and more.

Lee has combined a life-long love of music with a dual career as performer and educator. After graduating with a degree in music education from Penn State University, she began a long career teaching music that included 31 years in the Chicago Public Schools. Lee is the lead vocalist with the Chicago Jazz Orchestra, whose repertoire is dedicated to the music of Count Basie, Duke Ellington and other composers. Lee is one-third of the "Three Ellas" homage to Ella Fitzgerald. Along with Spider Saloff and Dee Alexander, Lee will travel to Poland in May to perform as the Three Ellas.

Pantry Herb Garden Plans Growth for 2016

The Irving Park Community Food Pantry is starting up its Herb Garden at the Irving Park United Methodist Church in the space adjacent to the Pantry entrance just off Keeler Ave. alongside the Serenity and Prayer Garden. We are seeking donations and volunteers to help build on the success it had during its introduction last year.

The garden is a collaboration with Three Brothers Garden, which operates its own garden for the Pantry, and IPUMC. The herbs that we grow, comprising basil, oregano, cilantro, thyme, parsley, mint, rosemary and sage, are harvested early Wednesday mornings and distributed to clients at distributions later that day.

Last year's garden got off to a great start, with more than 50 bags of herbs distributed each week. We are now looking for donations to increase production before expanding our crops in new ways next year. Among the items we are seeking are organic soils and herb plants. We also need volunteers to help tend the garden during the week or sponsors who will "adopt" one of the herb beds and tend it. We also are looking for tried-and-true recipes that will maximize the use of the herbs that we can use in classes for our clients.

For more information on the program or to arrange a donation, please contact Vicci Rodgers at viccirodgers@gmail.com

Thank you to Liberty Tax Service at 4900 W Irving Park, which ran two fundraisers for the Pantry during tax season. The first, in February, provided a \$5 donation for each tax return completed and raised \$465. The second, during March, discounted preparation fees by 50% to everyone who donated at least \$20. We appreciate their efforts on our behalf!

Thanks also to Midcity Nissan for running a program for us earlier this year, in which customers got \$3 off any work performed for each food item they donated to the Pantry!

Great thanks to Becky Spears, a Brownie Girl Scout at St. Viator Elementary School, who asked her customers to donate a box of cookies during her sales this year. She donated 24 boxes last year and set a goal of 100 for this year-which she surpassed, donating 110 boxes to the Pantry! We appreciate her efforts in making this happen and giving our Tuesday night clients a nice surprise in March.

Becky Spears, a Brownie Girl Scout at St. Viator Elementary School, came to the Pantry during our operating hours on Tuesday night in March to hand out to clients the 110 boxes of Girl Scout cookies she asked customers to donate. Mother Gina Spears and brother James (a Cub Scout in St. Viator's pack) helped her bring in the cookies and set up. Photo by Lee Samsami Stein

Garage and Yard Sales Converge on May 14th!

This year's West Walker 31st Annual Neighborhood Garage and Yard Sale will have some company, hopefully bringing more treasure-seekers to the West Walker neighborhood. GIPNA (Greater Independence Park Neighborhood Association) will hold its garage sale on the same date. Also, IPAC (Independence Park Advisory Council) is bringing sellers into Independence Park. Although all three are occurring the same day and the organizations are promoting all three sales, residents of West Walker should use the application process described in this edition of the Wire to obtain a permit. Questions? E-mail Mike Webber at webber.wvca@gmail.com. Be sure to register for the sale using the form on the back page of this newsletter.

Cats at Work Project Offers a Solution to City's Rat Problem

Although there is an ordinance for dog-owners to pick up after their dogs, the availability of food is what drives a rat's behavior, and the abundant food sources provided in a city such as Chicago most certainly whet a rat's appetite long before they turn to dog feces. Far more of an issue than dog feces are the thousands of front load trash bins found behind almost every restaurant, apartment building and business, which provide rats with a veritable smorgasbord. Additionally, rats can easily chew through the plastic lids on trash cans used by many homeowners including the city's blue bins used for Chicago's recycling program.

However, Tree House Humane Society's Cats at Work offers a proven, humane, long-term, "green," alternative solution to the city's growing rat issue. The project relocates feral or community cats to new territories where their hunting instincts and mere presence results in reduced numbers of rats. Since Cats at Work's inception in 2012, Tree House Humane Society has successfully placed more than 400 "working cats" in private backyards, barns, on condo building properties and in factories and warehouses where clients have reported an almost immediate end to their rodent problem soon after welcoming their cats.

Cats at Work also provides a humane solution for displaced, feral community cats giving them a safe and secure location where they can live out the rest of their lives. The cats are spayed or neutered, treated for parasites, vaccinated for rabies, ear-tipped and microchipped before relocation. Volunteer caretakers humanely manage the cats for the entirety of their lives with ongoing support from Tree House as mandated by Cook County's 2007 Managed Care of Feral Cats Ordinance. Common methods used to control rats such as poison and traps are ineffective, short-term solutions. Additionally, rat poison is dangerous to children, pets and the environment. Tree House's Cats at Work, an offshoot of Tree House Community Cats, provides a better solution.

For more information about Tree House's Cats at Work Project, call 773-784-5488 ext. 234 or email TNR@TreeHouseAnimals.org.
